

2026 BLACK BEAR

Source: reviewed 2026 Utah DWR Hunt Planner black bear permits export. Resident, nonresident, and total columns are split for library use. Blank numeric cells mean no published numeric permit count in the reviewed source; BR7307 is 2026 code reuse: it is now the La Sal multiseason conservation package with 4 total permits and no published resident/nonresident split, while the older La Sal limited-entry multiseason history crosswalks to current BR7326.
